JESSE BRINKLEY BEATS CURTIS STEVENS

February 1st, 2010

Reno - In a highly anticipated super-middleweight showdown on Friday night in Reno, Jesse Brinkley beat, and beat-up, Curtis "Showtime" Stevens.

Yerington, Nevada's Jesse Brinkley (35-5, 22 KOs) earned the #2 mandatory position in the IBF by out boxing and out punching Brooklyn's Curtis Stevens (21-3, 15 KOs) in a thrilling twelve-round bout.

Stevens, who was vocal about seeking out an early KO, left the gate throwing bombs. His one dimensional approach won him the first round or two. In rounds three and four, Brinkley took control of the fight and put on a boxing clinic while landing several power punches of his own. In the sixth round, two straight right hands found their mark and put Stevens on the floor. He got up at the count of eight, and the round-ending bell rang seconds later.

In the mid and late rounds, Brinkley continued to fight his fight in between exciting and powerful exchanges. Ahead on points, Brinkley continued to throw heat in the final round and once again floored Stevens. The rowdy, sold-out crowd at the Grand Sierra Resort was on its feet when the final bell rang.

Scores were 117/109 118/108 and 119/107 for Brinkley
